## 2025 Annual Report of Activity

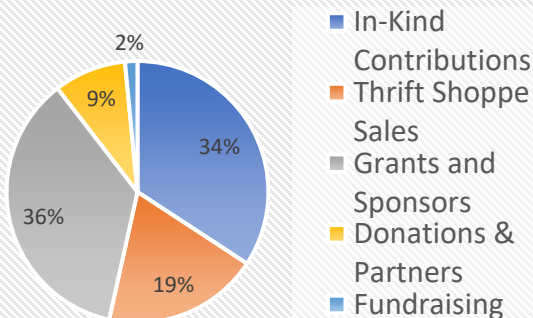

### A Message from the Board of Directors

Thank you sponsors, partners, donors, volunteers, staff and our community for another successful year

Adults, children and families improved the quality of their lives and overcame loneliness by participating in support groups, workshops, wellness programs, movies, social support activities, educational programs and volunteer events. They strengthened their ability to cope, resocialized in a safe environment and helped others.

"No cost" programs and services were supported by merchandise/vehicle donations, Thrift Shoppe sales, general donations, partnership donations up to \$250 and Sponsorships \$250 or more. Volunteers contributed 16,000 hours of service as Group Facilitators, Camp Assistants, Office Support, Board of Directors, Advisory Board, Fundraising, and Thrift Shoppe operations.

#### 2025 Revenue

#### 2025 Expense
